*"Inspired by the Relentless Pursuit of Excellence for ALL"*

Dear Parents and Caregivers,

The Olympic View Staff is excited to introduce a program, which we believe will have a profound effect on the staff, students, and community of our school. The Leader in Me program empowers young people to make positive, effective, and responsible choices by introducing and reinforcing the 7 Habits of Highly Effective People. In January, we will be implementing the Leader in Me Program as an introduction to personal leadership. Your child is about to embark on an exciting journey and our hope is you will ask your child how he/she is doing along the way. Having your child reteach the content to you will give him/her an even deeper understanding and will give your family an opportunity to learn together!

When taught and practiced in the school environment, these 7 habits have been proven to increase academic engagement, comprehension, and performance by strengthening individual work habits and improving social interactions.

The Olympic View Staff has made the commitment to model and implement the 7 Habits in order to provide a caring and nurturing learning environment for our Golden Eagles! Through the 7 habits, our staff is working together with students to create a school that honors and maintains the dignity of children through productive interaction while fostering positive relationships with peers, staff, parents and other community members.

Yours in leadership,

Olympic View Staff
