

COVID-19 QUARANTINE OVERVIEW FOR STUDENT CLOSE CONTACTS

These situations **only** apply to **asymptomatic** close contacts.

This document is based upon, not intended to replace, the SDCOE [Decision Tree](#) and the CDPH [K-12 Guidance for the 21-22 School Year](#)

Fully Vaccinated or COVID+ in the last 90 Days
(Regardless of location or masking)

No quarantine required if asymptomatic.
Recommend testing on Day 3, 4, or 5.

EXPOSURE TYPE ON SCHOOL SITE

Both Parties Wearing Masks

Option 1:
Modified In School Quarantine

Test immediately after known exposure. Provide evidence of negative test to return to school and continue to test every 3 days. If there is evidence of negative test taken on or after Day 6, testing can be discontinued. Self-monitor for symptoms, wear a mask (indoors and outdoors), and avoid crowds through Day 14.

Option 2:
Return on Day 8

Home quarantine for 7 days. Must provide evidence of negative test taken on or after Day 6 to return on Day 8. Self-monitor for symptoms, wear a mask (indoors and outdoors), and avoid crowds through Day 14.

Option 3:
Return on Day 11

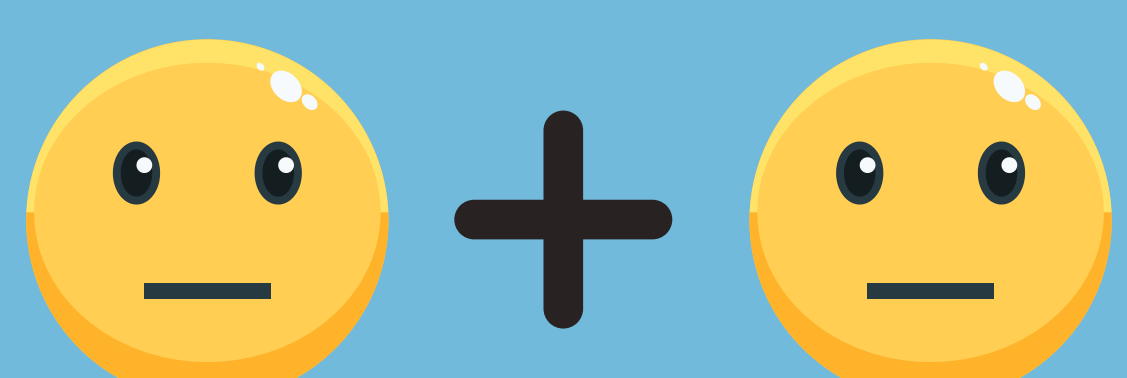

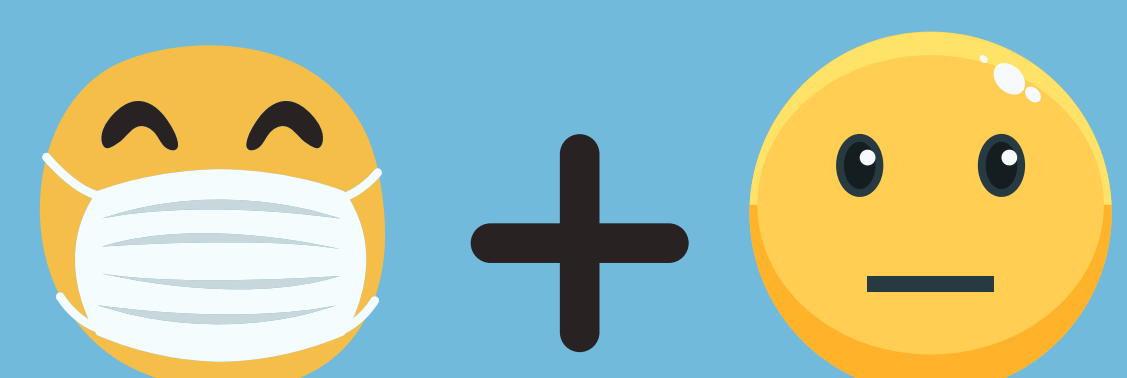

Home quarantine for 10 days. Testing on or after Day 5 is recommended but not required. Self-monitor for symptoms, wear a mask (indoors and outdoors), and avoid crowds through Day 14.

Option 4:
Return on Day 15

Home quarantine for 14 days. No additional requirements. Testing on or after Day 5 is recommended.

EXPOSURE TYPE ON SCHOOL SITE

One or Both Parties NOT Wearing Masks

Option 1:
Return on Day 8

Home quarantine for 7 days. Must provide evidence of negative test taken on or after Day 6 to return on Day 8. Self-monitor for symptoms, wear a mask (indoors and outdoors), and avoid crowds through Day 14.

Option 2:
Return on Day 11

Home quarantine for 10 days. Testing on or after Day 5 is recommended but not required. Self-monitor for symptoms, wear a mask (indoors and outdoors), and avoid crowds through Day 14.

Option 3:
Return on Day 15

Home quarantine for 14 days. No additional requirements. Testing on or after Day 5 is recommended.

EXPOSURE TYPE OFF SCHOOL SITE
Masked or Unmasked

Day 15 Return

Home quarantine for 14 days. No additional requirements. Testing on or after Day 5 is recommended.
